

Dear Friends...Please support me as I ride to raise money for New Day for Children, www.newdayforchildren.com, a newly formed Bay Area non-profit organization that provides programs and facilities to give hope and security to girls from the ages of 10-19 caught in the desperation of sexual exploitation for commercial purposes. Donations must be received by 8/21/2010. Please make checks payable to Grace Community Covenant Church. Thank you!
